## Audition Text

### Prologue – Front Cloth

#### ***Good Fairy appears with appropriate panto fairy panache***

Fairy            Hello Boys and Girls I feel it's almost time,  
                      For coloured lights and sparkly things  
                      It's nearly pantomime!  
                      I am the Good Fairy  
                      My name is Fairy Jazzle  
                      But as we're friends I don't mind  
                      If you call me just F.Jazzle.

                      Behind this magic cloth you'll find  
                      A feast of such delights  
                      T'will please the folk of this here town  
                      Through dark and winter nights.  
                      So if you're sitting comfortably,  
                      All safely gathered in  
                      It's time to move the curtain  
                      And let the magic begin.

#### ***She waves her wand and nothing happens***

#### **MUSIC - Magic Underscore**

                      Drat this wand it was working this morning. ***Frustrated***  
                      It's time to lift the curtain  
                      And let the magic begin.

#### ***She waves her wand again but to no avail***

                      I'm so sorry boys and girls, this is rather embarrassing. The batteries must be flat.  
                      This is the moment that I'm supposed to transport you to Panto Land but there  
                      seems to be a malevolent force at work.

#### **MUSIC – King Rat's Entry**

K. Rat ***Evil Laughter*** At my command, within my power  
                      To over-run this midnight hour!  
                      Hordes of rats, a plague will spread,  
                      Then all in the town will drop down dead.  
                      Then I will take my rightful crown,  
                      To become Lord Mayor of London Town.

# Audition Materials- Fairy Jazzle

Fairy                    King Rat!  
The time for good is now at hand  
to foil your plans to rule this land.  
For Dick's the champion who will win this fight,  
Cool of courage, with strength of right!

K. Rat                    **Evil Laughter** Cool of courage, strength of right?  
You'll not find one to match my might.  
Thousands of rats will spread disease  
From house to house, just as I please!  
Of one thing I'm sure or I'll eat my hat,  
Every human being is scared of a rat.

Fairy                    Tis true you have an evil plan  
That reeks of fear to every man  
But I have a challenger who cannot fail  
As friendship wins and will prevail  
The answer to the vilest rat,  
Will be man's friend- the pussy cat!

K. Rat                    You can't scare me with a scratch and a hiss  
That plan you have is completely amiss  
This talk of friendship makes me sick.  
So, I'll put an end to Tom and Dick

**Evil laughter as he exits.**

Fairy                    Don't worry boys and girls. He is no match for Dick and Tom cat! You'll see.

## Audition Song

What makes you beautiful  
(One Direction)

You're insecure  
Don't know what for  
You're turning heads when you walk through the door  
Don't need make-up to cover up  
Being the way that you are is enough

Everyone else in the room can see it  
Everyone else but you  
Baby, you light up my world like nobody else  
The way that you flip your hair gets me overwhelmed  
But when you smile at the ground it ain't hard to tell  
You don't know, oh oh  
You don't know you're beautiful  
If only you saw what I can see  
You'll understand why I want you so desperately  
Right now I'm looking at you and I can't believe  
You don't know, oh oh  
You don't know you're beautiful, oh oh  
That's what makes you beautiful!
