Digital Programme

Hello and welcome to Sterts Theatre!

After a strange 18 months for the whole world, we are proud to have overcome some huge hurdles in order to perform this fantastic show for you today. This is down to our extremely dedicated volunteers, chaperones, parents, performers and staff. Of course, we would not be anywhere without our on going support from you the audience, so please sit back, relax, and enjoy our production of The Wolf From The Door!

CATHERINE

We don't actually drink coffee at my coffee morning.

LEO

What do you do then?

CATHERINE

*We discuss the violent overthrow of the government.
Also, there's flower arranging.*
