Audition Text 1

- Fitz **Enters** Alice, is this man bothering you?
- Alice Oh no father, I was just... **Interrupted**
- Fitz Now clear off lad!!! GO on! Alice, you have no time for messing around with this street urchin. We have far too much to do before we set sail to Morocco. Alice you could try to look a little more excited.
- Alice Yes, I know, the trade deal...
- Fitz Our pending trade deal is of utmost importance. Especially since we lost all those deals with the EU.
- Alice I know father, but I get so bored sitting around on the Shippy Mc Ship Face all day with nothing to do. It's alright for the boys... they can stay up and play with their Wii **Fitz is shocked** you know those games and Morocco is such a long way to go.
- Fitz That's not the only reason we are going my dear... remember...
- Alice But I don't want to get married to someone I barely know!
- Fitz My dear, once the Sultan meets you they will introduce you to the Prince of Morocco, he will fall in love with you. Then, you will become his wife and we will become fantastically rich. Just think what it will do for the business.
- Alice Yes father. You know this is not how I imagined meeting my true love. I imagined us meeting by chance. (**Clocking Dick**) Falling in love at first sight (**They get closer**)
- Fitz My dear Alice, what have I told you about all this fantasising?
- Alice But....
- Fitz No buts! Now come along I shall get Sarah the cook to fix you something for tea! **Shouting** Sarah! **To ensemble** Now come on haven't you lot got work to do? **Ensemble Moan**. Ah! No moaning or I shall have you all back on Jobseekers!!!

Fitz enters.

Fitz Well boys and girls it's almost time for us to set sail on our maiden voyage to Morocco! Do you know where Captain Godfather and his first mate are? ***Audience response.*** I wonder where they have got too.

We hear squabbling in the wings Enter Captain and Mate, still carrying the box

Fitz There you are I have been looking everywhere for you!

Capt Sorry Sir!

Fitz Did you managed to collect what I asked you to get?

Mate Oh yes here it is! ***Hands over the box***

Fitz Wonderful! Thank you so much, that box contains a very important family heirloom which I am going to present to my lovely daughter, Alice, tomorrow morning for her 18th birthday. That necklace will be a fitting gift for my beautiful Alice. Now that I am sure I can trust you with anything, I need you to do another job for me.

Capt What is it?

Fitz I want you to shimmy south to the seashore, shine up the Shippy Mc Ship Face while singing shanties softly, so that she is ship shape and suitable to set sail.

Mate Sorry?

Fitz ***Faster*** I said, I want you to shimmy south to the seashore, shine up the Shippy Mc Ship Face while singing shanties softly, so that she is ship shape and suitable to set sail.

Capt Say it again?

Fitz ***Faster again*** Oh dear, what are you deaf or something... I said, I want you to shimmy south to the seashore, shine up the Shippy Mc Ship Face while singing shanties softly, so that she is ship shape and suitable to set sail. Got it?

Capt Sort of, Sir

Mate You want us to skip on down sideways to the shiny ship...
